

Angus Pharmacy Plaza

Client: McKnight Charron Laurin Inc. Architects

Location: South-East Corner of County Road 90 and River Drive,
Essa Township

Services: Site Design, Drainage Design, Stormwater
Management, Inspection and Contract Administration

The Jones Consulting Group was retained by McKnight Charron Laurin to develop a commercial building at the intersection of County Road No. 90 and River Drive. Responsibilities included design of site services, parking lot and grading design, water, sanitary and sewer, and stormwater management.

Jones examined existing municipal services in place and accordingly designed service connections. A detailed sediment and erosion plan was implemented during the construction phase of the project. Appropriate approvals were obtained by the Nottawasaga Conservation Authority. Jones provided inspection and contract administration. Construction was completed in December 2007.
