

# Britannia Road EA

**Client: Region of Peel**

**Location: Britannia Road from Hurontario St. to Mississauga Rd.**

**Services: Class Environmental Assessment, Storm Drainage Review on behalf of iTRANS Consultants**

The Jones Consulting Group completed a Class Environmental Assessment of Britannia Road West from Hurontario Street (Highway 10) westerly to Mississauga Road in Streetsville, Ontario. The scope of the work included a review of existing drainage patterns, outlets and storm sewer systems. Impacts of the widening of Britannia Road to a full 6 lane arterial road section were assessed. The results of the investigations

were summarized in a written report and presented to the Credit Valley Conservation. Recommendations were also incorporated into the iTRANS Consultants EA document. The storm drainage assessment was completed in early 2005.
