

# Georgian Dr. Reconstruction

**Client: City of Barrie**

**Location: Between Gallery Court and Penetanguishene Road**

**Services: Class Environmental Assessment Schedule "B", Detailed Design of Roadworks and Services, Public Consultation, Contract Administration, Topographic survey**

The City of Barrie, in conjunction with Pratt Construction, retained The Jones Consulting Group for the reconstruction of Georgian Drive between Gallery Court and Penetanguishene Road, including the intersection improvement of Penetanguishene Road at Georgian Drive. As part of this project, 1000m of The City of Barrie's of Georgian Drive was redesigned as a five lane major arterial road in order to more efficiently convey traffic in the northeast quadrant of the City of Barrie.

The Jones Consulting Group prepared various alternatives for the road, sanitary sewer, storm sewer, and watermain alignments, in addition to conducting public consultation sessions as part of the Class Environmental Assessment process. This project was substantially completed in October 2001.
