

St. Lawrence Street Reconstruction

Clients: City of Kawartha Lakes
Location: St. Lawrence Street Reconstruction, Lindsay, ON
Services: Engineering Services

The City of Kawartha Lakes engaged the Jones Consulting Group in 2009 to provide engineering services for the reconstruction of St. Lawrence Street in Lindsay. The project is currently underway and involves topographic survey, geotechnical investigation, preliminary and detailed design, public information meetings, Ministry of Environment C of A applications, preparation of contract documents and evaluation of tender submissions.
